ENVIRONMENTAL PROBLEM-SOLVING
COMPETITION

VOLUNTEER WITH LOUISIANA ENVIROTHON 2012!

Come spend your day with Louisiana students as they participate in the 2012 Envirothon competition!

BUDDY: 12 volunteers needed

Volunteers are needed to be an escort "buddy" assigned to a team of five students as they rotate through testing stations to compete in five natural resource areas: soils and land use, aquatic resources, forestry, wildlife, and the current environmental issue, nonpoint source and low impact development. Volunteers should arrive at 7:30 AM for breakfast and check in with the volunteer coordinator, who will assign each volunteer to a student team. The competition begins at 8:00 AM and the volunteer will stay with their team until around 3:00 PM.

Volunteer Buddies help teams with their needs other than testing:

- make sure the team gets to the correct station on time
- make sure the team rotates through each station
- make sure that team members do not have access to contraband (phones, calculators, etc...)
- make sure to help the students if there are any problems or emergencies

Volunteers will eat lunch with the team. Once testing is complete, results will be tallied and awards are given before the students leave around 3:00 PM.

SUPPORT VOLUNTEER: 5 volunteers needed

Volunteers are needed to help with setting-up registration, setting-up for meals, transporting supplies or materials to stations, and monitoring the oral presentation area. Volunteers should arrive at 7:00 AM and are needed throughout the event until it culminates in the awards presentation around 3:00 PM.

Breakfast, lunch, snacks, and water will be provided to all volunteers. The Burden Center is a beautiful area and you will be outside and standing for most of the testing time and interacting with students and advisors from urban and rural areas.

If you are interested in volunteering, please contact: Tomeka Prioleau at tomeka.prioleau@la.gov or 225-219-0877. Please visit the Envirothon website for more information: <http://www.deq.louisiana.gov/envirothon>
